

MY PORTFOLIO

**Personal Best Creative
Works & Projects**

@SOUNDB1T3

Presented By: **Richard Rojas**

2D ART WORKS

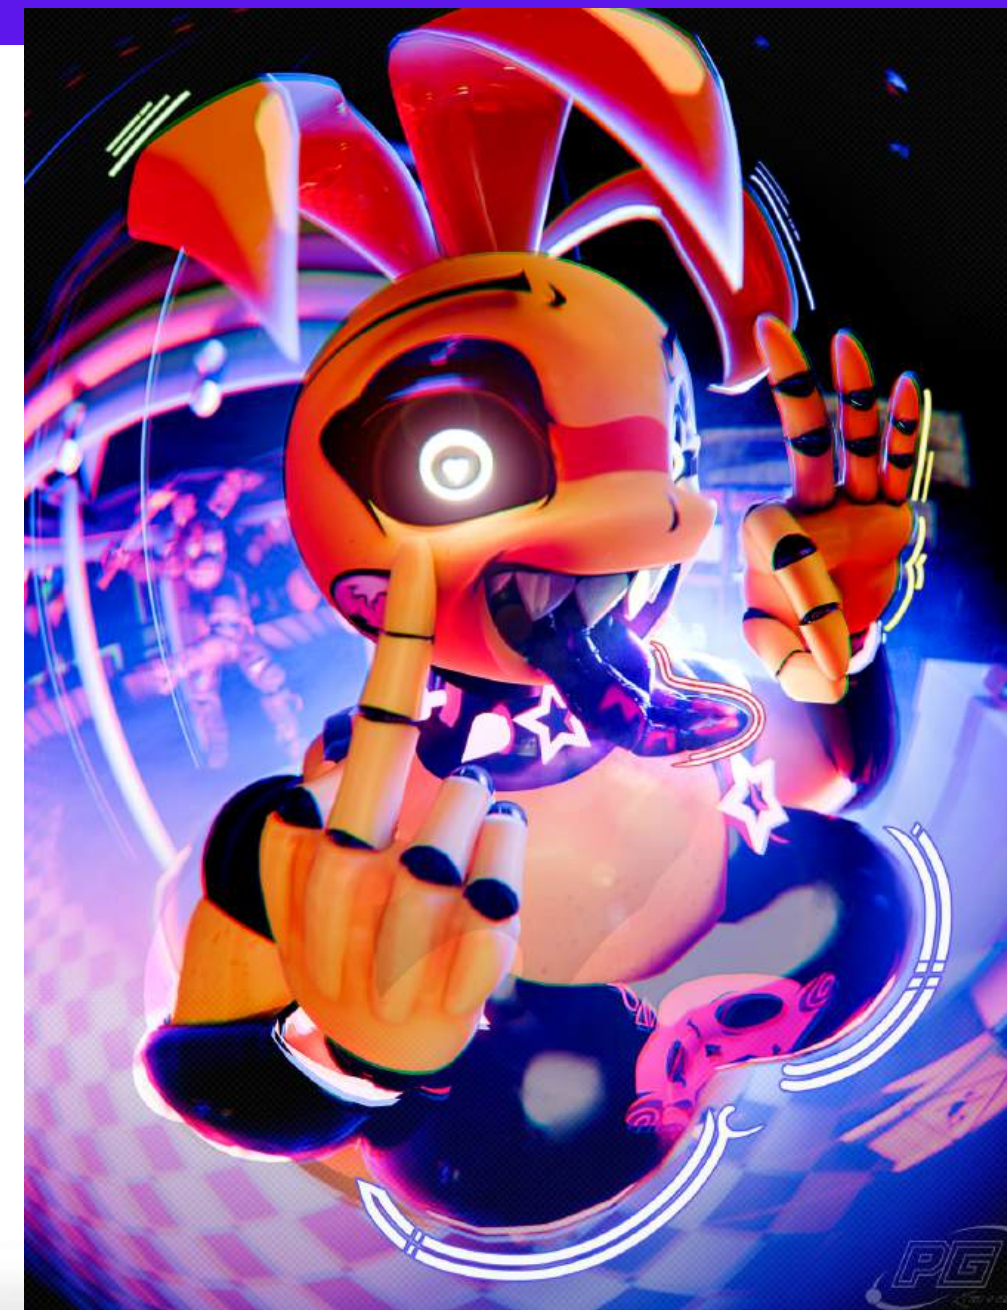

**“I AM ALL OF ME” X FELICIA
“DARKSTALKERS**

Most of my 2D Illustrations are of high detailed Line art and rendering for character arts and dynamic pin-ups! Most of these are all done within ClipStudio!

-Richard Rojas

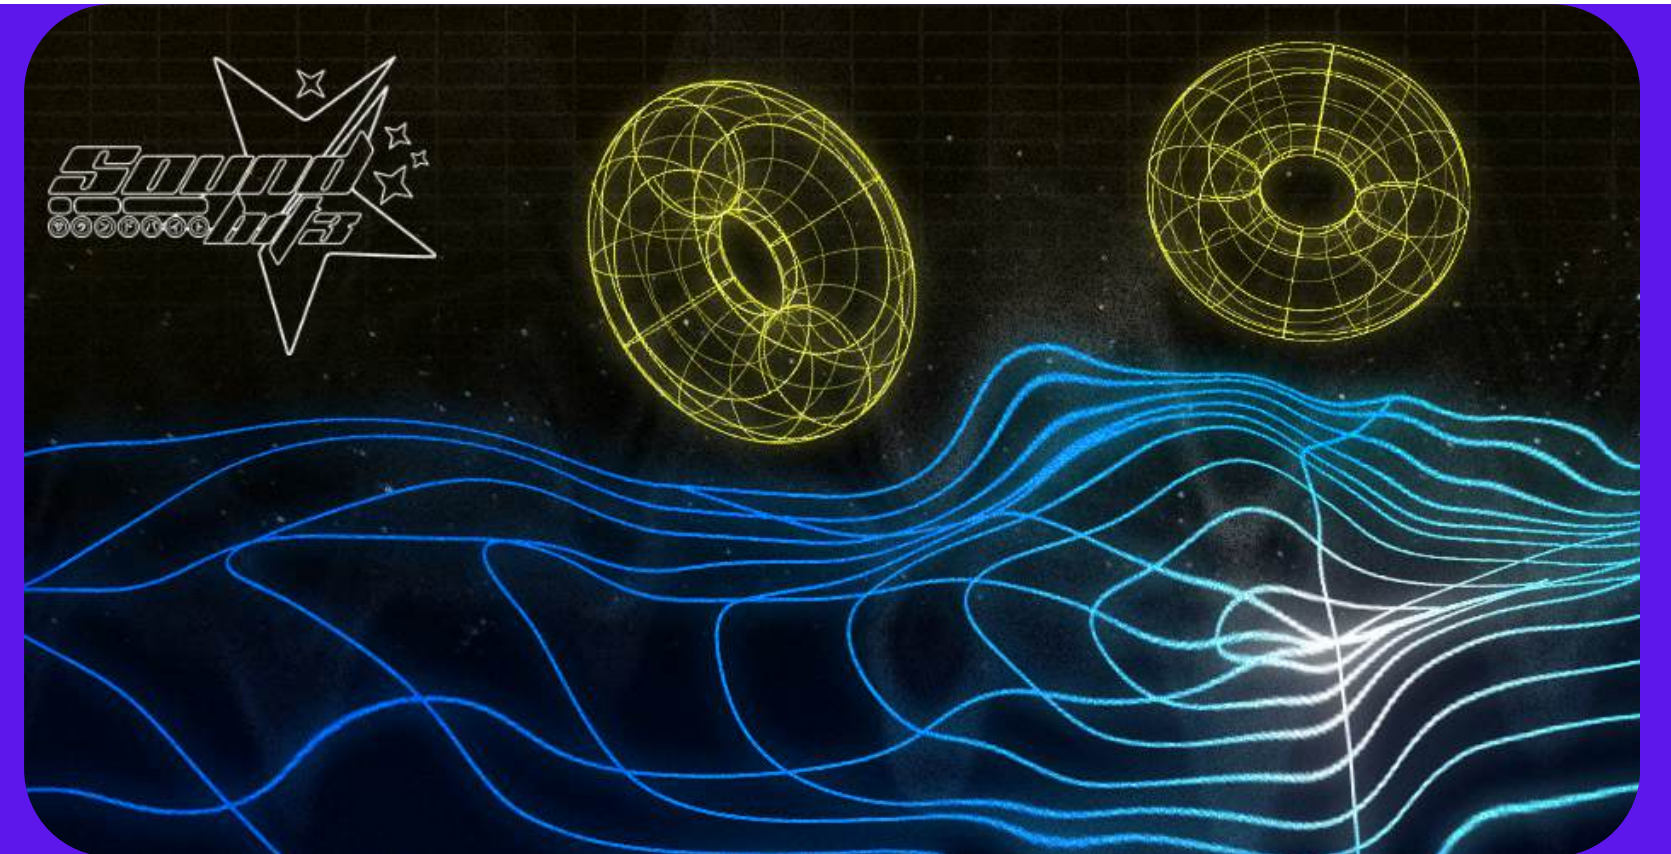

**“Super Sonic” Paramount
Stiled Render + Model tweaks
and Edits**

**“Toy Chica Commission” A
neon render done for a Client**

3D RENDERS

**Signature Works Displaying posing
and Set up + Composter Nodes
(Done in Blender *cycles)**

GRAPHIC DESIGN AESTHETIC

Visual Identity

My aesthetic merges sharp geometry with natural flow, creating harmony.

Overall, my design aesthetic is defined by boldness and solidity where structure meets.

Research – I gather inspiration from trends, client needs, and overall style analysis.

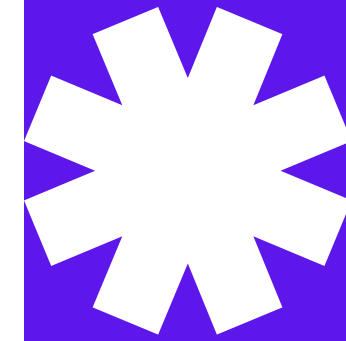

Concept – Developing ideas and sketching multiple directions to explore (poses too!)

Design – Refining concepts into polished visuals with attention to detail.

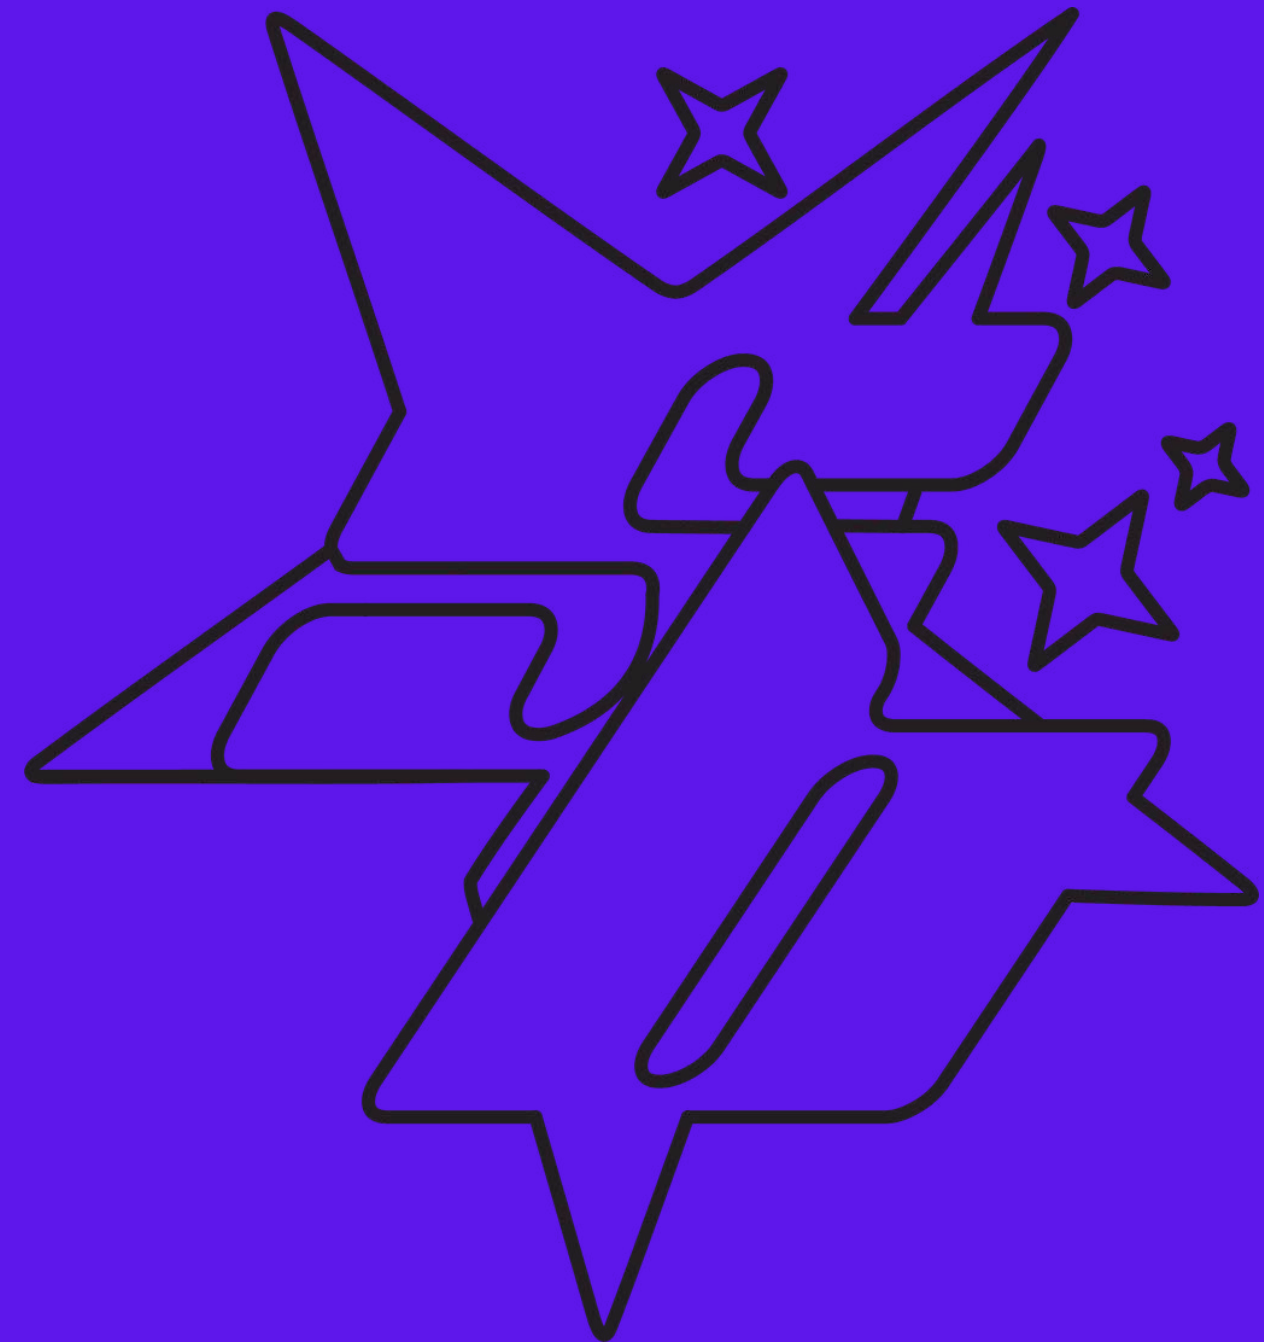

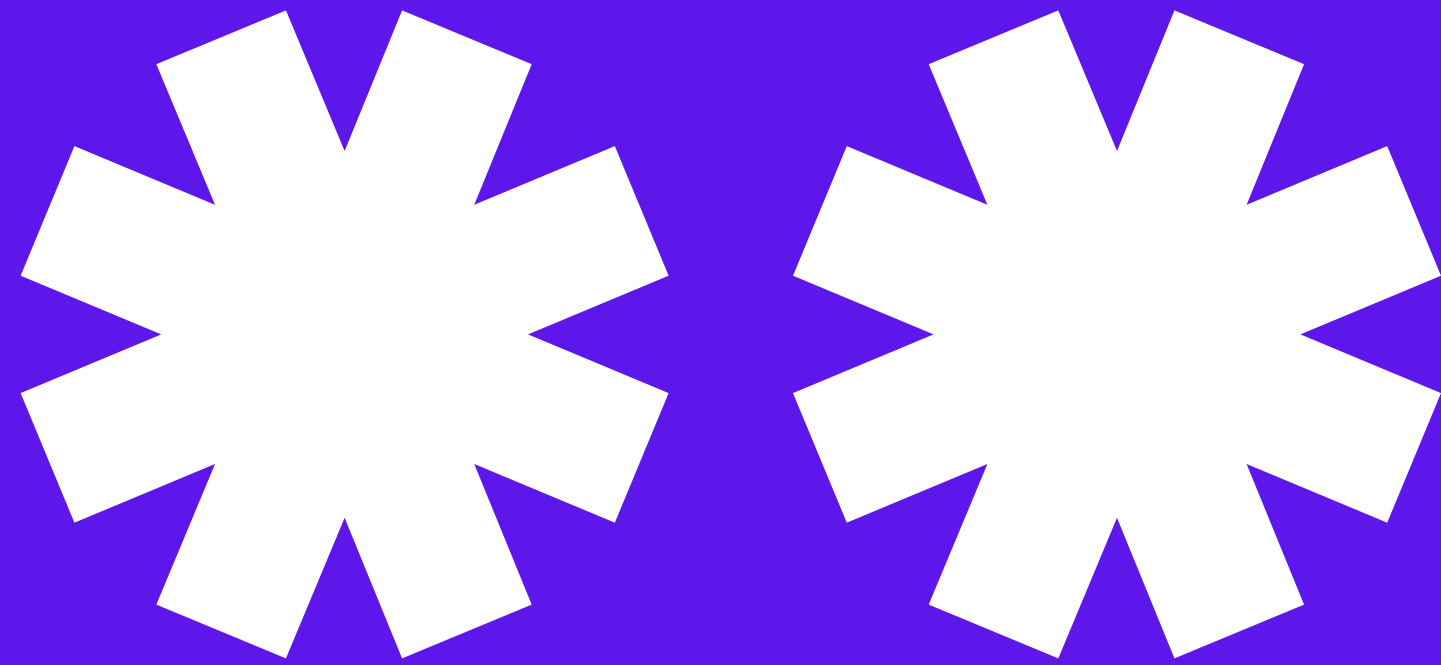

Deliver – Finalizing assets and ensuring quality execution for clients.

MY PROCESS

Design Workflow

THANK YOU

Let's Connect and Collaborate
